

GEN-5 CHEVY CAMARO®

Energy Suspension Applications

Part #: 3.1153
Desc. : Diff. Carrier Bushings
Gain: Reduces Chassis Flex to Improve Cornering, Traction

Part #: 3.3195
Desc. : Front Control Arm Bushing Set
Gain: Improves Control Arm Travel, Steering & Cornering

Part #: 3.5218
Desc. : Front Sway Bar Bushing Set
Gain: Improves Cornering, Less Chassis Roll

Part #: 3.5219 (2010) 3.5223 (2011-12)
Desc. : Rear Sway Bar Bushing Set
Gain: Improves Cornering, Less Chassis Roll

Part #: 3.3196
Desc. : Rear Control Arm Bushing Set
Gain: Improves Rear Control Arm Travel, Traction & Cornering

Part #: 3.4168 (2010) 3.4169 (2011-12)
Desc. : Rear Subframe Mount Inserts/Bushing Set
Gain: Reduces Body Roll to Minimize Understeer, Improve Traction
